# Get Involved. **VOLUNTEER**! You **CAN** make a difference!

*Many hands make light work. – John Heywood*

**To our wonderful Running Brook Families,**

Nobody can do everything, but everyone can do something. Let's work together to make 2019-2020 another great year at Running Brook. Regardless of whether you have a little or a lot of extra time and a desire to volunteer, your help will be greatly appreciated. We invite all Running Brook family and friends to indicate their areas of interest (not an obligation), or special skills that may be of use to the PTA, so that we may contact you when help is needed. Thank you for sharing your time and talents!

**Please return to Student's Teacher at your earliest convenience!**
